6. Why can't I see my season ticket under my account when I have logged in?

It is possible that you may have more than one active account on the club's ticketing system. To see your season ticket online, you need to check that the Fan ID number at the top of your online account is the same as the one on your season ticket card. If not, you have a 'double account'. The best way to resolve this is to log out of the account and then log in again by entering the Fan ID that is printed on your season ticket card and clicking 'reset password'. You will be sent a 'reset password' email and can update your password and then log into your correct account, which will have your season ticket attached to it.
