About us

We are an award-winning charitable organisation with extensive experience and a proven track record of successful EDI strategic development, education, training, and consultancy across both the public and private sectors and sports industry.

Our Group Head of EDI is Dr Michael Seeraj, former Chair of the English Football League EDI Forum for London and the South East, and the London FA Inclusion Advisory Board. Michael previously formed part of the EU Fundamental Rights Agency influential programme examining exclusion and discrimination in sport across the EU Member States.

Michael has twice been recognised on The Football Black List in both 2020 and 2023, alongside Marcus Rashford, Bukayo Saka, and Lianne Sanderson. He was also a featured Presenter at the 2nd annual EDI in Leadership Conference 2025, held in central London, alongside the Chief Executive of the FTSE Women Leaders, and the Head of Social Mobility at the Ministry of Justice – bringing together some of the most influential voices driving change in equity and inclusion in the UK.
